

WELCOME TO STERLING SPECIALTY PHARMACY

Sterling Specialty Pharmacy will be receiving your prescription(s) from your provider. Our dedicated team of patient care coordinators will contact you within one business day of receiving your prescription(s) to discuss your medication(s), provide you with delivery details, and answer any questions you might have.

If you have any questions about filling your medications, please contact us. You can reach us by phone or email:

Phone: **888.618.4126**

Email: **support@sterlingspecialtyrx.com**

At Sterling, we build healthier lives through caring relationships. We look forward to serving you as your dedicated medication experts.
